Subject: RE: IKEC Request for Extension of Comment Period on EPA Proposed Decision on Clifty Creek Part A Demonstration

Mr. Huggins,

As outlined in our attached letter, we respectfully request an extension of the public notice and comment period on the EPA's proposed denial of the alternative closure deadline the Indiana-Kentucky Electric Corporation, Clifty Creek Station requested in its CCR Part A Demonstration Application. The details supporting this request are further outlined in our letter.

If you have any questions or require additional information, please let me know.

Sincerely,

J. Michael Brown
